as long as there have been movies there have been posters selling films to audiences posters came into existence just decades before the inception of film and as movies became a universal medium of entertainment posters likewise became a ubiquitous form of advertising at first movie posters suggested a film's theme from adventure and romance to thrills and spine tingling horror then with the ascendancy of the film star posters began to sell icons and lifestyles nowhere more so than in hollywood but every country producing films used posters to sell their product selling the movie the art of the film poster charts the history of the movie poster from both a creative and a commercial perspective it includes sections focusing on poster artists the development of styles the

influence of politics and ideology and how commerce played a role in the film poster's development the book is richly illustrated with poster art from many countries and all eras of filmmaking from creating the brand of charlie chaplin's tramp and marketing the elusive mystique of greta garbo to the history of the blockbuster the changing nature of graphic design by the decade and the role of the poster in the digital age selling the movie is an entertaining and enthralling journey through cinema art and the business of attracting audiences to the box office

most people view movie posters as an expensive form of expendable advertising others however see the posters as valuable art if you are in the latter category this is the work for you all facets of collecting movie posters are covered in this guide book the history of the movie poster is first presented including a look at how the early studios influenced the development of posters next is a brief look at the world of movie art collecting this is followed by a reference section that provides comprehensive explanations of the most commonly used terms in the field getting your collection started is the next topic giving novice and more experienced collectors information on publications and materials available where to go to purchase posters where to go for help and other items a concluding section details the proper care and handling of movie art materials along with methods for restoration

film buffs graphic designers and art students will relish this beautifully produced and strikingly illustrated volume arranged in roughly chronological order it brings together movie posters from around the world starting with charlie chaplin film ads and the russian revolutionary movie posters of the 1910s then spanning the century to show posters publicizing hits of the 1990s including the silence of the lambs spike lee films and many more the book's 12 sections focus on renowned individual designers directors movies and genres important poster designers such as saul bass jan lenica and juan gatti receive particular attention as do great directors who had strong opinions about how their films should be represented among the latter are alfred hitchcock jean luc godard and otto preminger all major film genres are represented 12musicals kung fu movies films noir westerns including so called 12spaghetti westerns 12filmed in italy science fiction classics and others readers are treated to examples of movie posters not only from the united states britain and france but also to previously unpublished examples from countries as diverse as poland china and cuba for instance fans of orson welles might be surprised to see the previously unpublished italian poster advertising citizen kane under its italian title quarto potere the fourth estate this handsome volume will be valued by graphic designers poster collectors and anyone

sex drugs delinquency black power alternative culture and of course rock and roll these are just a few of the themes which have attracted the attention of the cinema s bottom feeders over the past eighty years a few of the resulting films have become cult classics but most were simply tacky few would probably now want to sit through two hours of high school hellcats 1958 or hot rod rumble 1957 the posters produced to promote them on the other hand are wonderful period pieces that vividly evoke the social fears temptations and taboos of bygone eras up until the introduction of the hayes code in 1934 hollywood had few inhibitions the poster for girl without a room 1933 for example left audiences in little doubt about how the young woman would find accommodation later in the decade it became necessary to adopt the old tabloid trick of pretending that titillating content had a redeeming social message thus the producers of marijuana were obliged to present it as a warning about the dangers of drug addiction threaten middle class values

and of course attracted middle class kids to the drive in screens then in the 60s and 70s came blaxploitation movies like shaft the first of russ meyer s mammary obsessed epics faster pussycat kill kill and even an animated sexploitation story fritz the cat the posters for these films from albert vargas venture into the genre for ladies they talk about 1933 to alan aldrige s photomontage for warhol s chelsea girls 1966 are masterpieces of visual innuendo offering in most cases far more than the movies actually delivered

anyone who has ever seen a disney movie knows that the iconic images are beautifully conveyed via the magnificent posters the tone of the movie and the full range of emotions we experience in seeing the film are often captured in a single poster after having seen and experienced a wonderful disney motion picture the mere sight of the poster can bring back the feelings of having taken the journey by watching the film disney movie posters is a tribute to those posters which tell the story both before and after we see the movie disney movie posters have been an important part of the motion picture process since disney began making motion pictures not only are they eye catching pieces of artwork they are also designed to entice the movie going audience from steamboat willie to frozen and countless movies in between disney movie posters have been an important part of the films themselves disney shorts animated movies live action movies and pixar movies can be remembered and honored by the posters that so efficiently capture the magic of the film

the 1980s was an exceptionally fertile decade for the cinema in hollywood violent action was very much in vogue with films such as die hard first blood rohocop terminator top gun and lethal weapon introducing the public to new muscular stars like stallone schwartzenegger and tom cruise steven spielberg contributed to this genre with raiders of the lost ark but also gave us the gentle e t which was equally in tune with a period which saw a whole raft of notable science fiction movies including dune blade runner and aliens in the wake of star wars everyone was eager to make use of the new special effects techniques that played a major role not just

in the sf genre including the star wars sequel the empire strikes back but also in pictures like ghostbusters gremlins and poltergeist for 80s audiences really liked to be scared and hollywood duly stood their hair on end with the evil dead friday the 13th and scanners among others for the first time america s film makers were prepared to examine the nation s recent history and platoon born on the 4th of july first blood and good morning vietnam all tackled in their different ways the trauma of vietnam while

this book focuses on some of the finest movie posters ever produced some because of the originality of their design others because of their success to withdraw attention and making a film seem unmissable through the posters of the 1930s and 40s we can relive the classic era of hollywood to the 1950s posters promoting the use of wide screen as the hollywood studio system declined the rise of european cinema and other national movements in asia and beyond would introduce new ideas to narrative films and their advertising which would have a global impact a collection of posters featuring movies which have helped shape the history of world cinema a great collection of not only the posters of the blockbusters or classics movies of hollywood golden era but also great european latin american and asian movies which changed film making history
