in debates about the authority of the bible people commonly argue that the bible is inspired even inerrant and therefore that it has authority is this argument valid dr edward w h vick argues that it is not that authority does not derive from inspiration and that terms like inspiration and inerrancy do not contribute to a belief in or the authority of the scriptures at all using the example of the seventh day adventist church and debates over the inspiration and authority of the bible and then of ellen g white he outlines and illustrates the pitfalls of arguing directly from an idea of inspiration to a view of authority in short he maintains that a doctrine of inspiration cannot serve to establish the authority of a writing writings have authority as they are accepted by and used in the community as a philosopher with years of teaching experience in biblical studies and theology dr vick examines the way in which christians speak about these issues and then asks whether what we say is contributing to what we do or where we wish to go seventh day adventists especially owe it to themselves to read this compact yet powerful book as they think about their use of e g white s writings and their relationship with scripture other christians can benefit however as the arguments are similar whether one is talking about the bible itself an authoritative figure in your religious tradition or a source of interpretation and application you view as authoritative it is especially relevant in a pluralistic world how is it that you decide what is authoritative

fundamental doctrines of the seventh day adventists

this book reveals whether there is a temple in heaven and what its purpose is christ is revealed as our high priest who intercedes for us this is the heart of the seventh day adventist message issues addressed include can we be sure there is a real temple in heaven what is the purpose of this temple when does the judgement start do we need to keep the ten commandments should we observe a literal sabbath and much more the heavenly sanctuary reveals jesus who ever intercedes for us hebrews 7 25 an extremely thorough engaging presentation of the framework of seventh day adventist beliefs kirkus review

if you are a seventh day adventist christian you have no doubt heard of the shepherd s rod a message of present truth and reform first presented to leaders of the seventh day adventist church in the years 1929 and 1930 it has created much controversy in what every seventh day adventist should know about the shepherd s rod author garrick d augustus brings to light the historic and the theological reasons behind the rejection of the shepherd s rod message it exposes the systematic misinformation as well as the willful manipulations of the facts surrounding victor houteff and the movement he began more than eight decades ago it provides clear and accurate answers to the questions

raised against the rod's message and it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration. Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh Day Adventist Church. His research took him from the Heritage Library in Loma Linda, California to the Biblical Research Committee in Silver Spring, Maryland and beyond. What every Seventh Day Adventist should know about the Shepherd's Rod journeys through the pages of history and helps to separate truth from propaganda. It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh Day Adventism.

This Oxford handbook contains 39 original essays on Seventh Day Adventism. Each chapter addresses the history, theology, and various other social and cultural aspects of Adventism from its inception up to the present as a major religious group spanning the globe.

Der Autor geht auf Fragen ein, die jeden Adventisten interessieren sollten: Wie kamen die Adventisten zu den Glaubensüberzeugungen, die sie heute vertreten? Wie haben sich die Lehrauffassungen im Laufe der Jahre verändert? Würden die adventistischen Pioniere alle 27 Glaubenspunkte unterschreiben wollen, die heute von der Gemeinschaft der Siebenten-Tags-Adventisten als verbindlich anerkannt werden? George Knight bezweifelt das. Er legt in wohlthuender Offenheit die unterschiedlichen Strömungen innerhalb der Adventgeschichte dar und verdeutlicht, dass Adventgläubige nicht aufhören dürfen, suchende und lernende zu sein. So aufwühlend dies klingen mag, so beruhigend wird der Leser feststellen können, an allen untersuchten Beispielen wird erkennbar, wie wunderbar Gott die Adventgemeinde geführt hat. How did Adventists come to believe what they believe? How have those beliefs changed over the years with compelling candor? George Knight captures the ebb and flow of the doctrinal currents within Adventism, including controversies over the Shut Door, the Law in Galatians at the 1888 General Conference, the Trinity, Pantheism, Fundamentalism, the nature of Christ, and inspiration. The Adventist Church was founded by independent thinkers who would have disagreed with several of the Church's current 27 fundamental beliefs, but over the years, strength arose out of contention and consensus out of debate. From William Miller to Desmond Ford, Knight catalogues the colorful personalities who shaped the discussion and shows how God has led Adventism into a broader and deeper understanding of His eternal truth. A word to the reader, a note from the author, list of abbreviations. Chapter 1: The dynamic nature of present truth: present truth fluid rather than static; the avoidance of creedal rigidity; the pathway of progressive
